MEMBERS Only Event

We begin in the season of winter, the Hebrew month Tevet, when seeds seek nurturance in the earth and personal identities seek individuation above. All cellular growth on our planet navigates through the push and pull of polarities to its ultimate form in nature and society. As living things grow into consciousness, questions arise: "Am I being good?" "Am I doing right?" "Am I following my destiny?" "Am I free?" Can we be all of these at the same time?

Join an intellectual exchange drawing from the Jewish Calendar, Torah, Myth, Science and The Arts. This is the "next step" to Reb Shoni's Women's Groups and Dr. Lisa's Rosh Chodesh Group. It is now open to women and men alike. Each participant is expected to prepare in advance by reading and/or viewing specified material, which will include selections from literature and the creative arts. No formal teaching will take place, as this forum is one of shared discourse.

Create an environment that encourages a substantive, intellectual, creative, inspiring, spiritually-stimulating encounter for all.

Our Road Rally will be like a trivial pursuit game. Many temples have done this over the years, and we're excited to bring this fun, fun event to TAO.

In addition to a great deal of fun, trophies will be given To first and second place cars!

If the event sounds like fun, and you want to join us for dinner only, you can. Register, then call Rhonda or Lowell for details about where we're meeting.

In our world of environmental sensitivity, we will offset our carbon footprint by buying carbon offsets. These are trees planted in global forests or investments in renewable sustainable energy (wind, solar etc.) It is in alignment for us to purchase carbon offsets in the form of trees planted for this event. Anne Goldberg, our President, will plant trees to replace the carbon imprint we are making by having a driving event. Thank you
