We begin in the season of winter, the Hebrew month Tevet, when seeds seek nurturance in the earth and personal identities seek individuation above. All cellular growth on our planet navigates through the push and pull of polarities to its ultimate form in nature and society. As living things grow into consciousness, questions arise: "Am I being good?" "Am I doing right?" "Am I following my destiny?" "Am I free?" Can we be all of these at the same time?

Join an intellectual exchange drawing from the Jewish Calendar, Torah, Myth, Science and The Arts. This is the "next step" to Reb Shoni's Women's Groups and Dr. Lisa's Rosh Chodesh Group. It is now open to women and men alike. Each participant is expected to prepare in advance by reading and/or viewing specified material, which will include selections from literature and the creative arts. No formal teaching will take place, as this forum is one of shared discourse.

Create an environment that encourages a substantive, intellectual, creative, inspiring, spiritually-stimulating encounter for all.

### Parking

**We want to make sure we don't lose the ability to continue to have services at the Rabbi's home,** so please follow this parking procedure:

Drive to the Rabbi's house. An attendant will give you a handout with the places you may park. **YOU MAY NOT PARK ANYWHERE YOU WISH.** Rabbi Marc did a lot of work to secure parking places acceptable to his development's Board and the City. We must respect the allotments and not park elsewhere.

Please respect the neighbors if they should ask you to move your car or not park in their swale - even if they had previously given permission to park there. By being respectful of their wishes, it will guarantee fewer problems in the future.

## Ocean & Galia Funds

In the spirit of Tzedakah and Thanksgiving, Paulina and Rabbi Marc set up two funds at TAO - a Galia fund and an Ocean fund. A portion of these funds will be used to send toys and other needed items to Jewish and non-Jewish organizations that serve children, including Jafco.

When you share your sweetness to celebrate Galia's birthday (December 3) and Ocean's birthday (June 28) and other occasions, please donate to TAO and specify the Galia or Ocean fund instead of generously offering toys, clothing and other gifts. In this way, children will benefit from your sweet generosity. Paulina and Rabbi Marc will be informed that you gifted their children and performed an act of Tzedakah in their children's honor.

Both Paulina and Rabbi Marc appreciate the health, toys and love their children have and want to give others the opportunity to share as well.
