Counting of the Omer

Starting second day of Pesach, we enter seven weeks of deep personal discovery of yourself and the Divine. We begin Counting of the Omer. Each day is a significant day. Each week is a significant week that relates to a Kabbalistic Sefirah.

The first week is Chesed: Loving kindness and willingness. During this week, look for ways this trait appears to you. Allow it to be your focus for the week, and be inspired.

Shemini: Leviticus 9:1-11:47

"Moses tells Aaron that God is sanctified through those nearest to God. And Aaron holds his peace."

Wisdom by Rabbi Shoni Labowitz

When you accept suffering yet avoid attaching to its dominating all parts of your life, you can make peace with the suffering

For each day's significance, there is a blessing and daily practice. Amichai Heppner wrote **a book with the daily blessings and explanations**. He generously offered 100% of the proceeds to TAO. [Click here to buy the book](#) (it's an eBook... this means, you'll get a pdf file sent to your email box, and you can print it out... or be green, and read it online). This book follows the Kabbalistic teachings of the Counting of the Omer.

Rabbi Marc is teaching a course in this right now at the Monday Wisdom Classes. Join him at 7pm, and get even deeper insights into achieving peace and oneness with God and your life.

Lee Sacks is contributing 100% of the proceeds from the first 12 books sold by us to TAO. Lee Sacks' second novel, **Buttonwood Nine-Eleven**, delves into the insecure and complicated life of a Philadelphia SVU team assigned to find the murderer of a Jane Doe. Since Jane Doe is the woman he'd made love to only five hours before her demise, twenty-nine year old Detective David Schneider thinks this is the worst day of his life. Several twisted surprises mixed with love, humor, and coming of age show Schneider that life is always full of worst
