Erev Shavu'ot

Wisdom by Rabbi Shoni Labowitz

This is Erev Shavu'ot, the Feast of the Harvest (also the Feast of Weeks), at which time we celebrate the first fruits, offer bread, and thus acknowledge the partnership between humans, the earth, and God.

Partnering God means living a vision of holiness

A new Men's Spirituality Group 8-week session begins today!

This open and ongoing inquiry into the nature of being male emphasizes the joys, privileges, and constraints of being a Jewish male in today's world. Designed to facilitate the unfolding of our uniqueness as individual males as well as our inseparability from and bond with other men; here is an opportunity to be a "man among men." You are encouraged to take your mask off and learn how to be intimate with other men, build empowering relationships and support other men as only men can do for each other.

We continue and expand our exploration of the myth, mystery and reality of being a Jewish male, which we began in Session 1. Each week, other spiritual topics are introduced as well.

In preparation for the first meeting, please read this week's parsha, which can be found at this newsletter, www.chabad.org and www.aish.com.

All TAO men are invited to avail themselves of this unique strictly male opportunity. Please call Dr. Richard Hey if you have any questions 954-806-6601.

In the spirit of Tzedakah, Paulina and Rabbi Marc set up two funds at TAO - a Galia fund and an Ocean fund. A portion of these funds will be used to send toys and other needed items to Jewish and non-Jewish organizations that serve children, including Jafco.

When you share your sweetness to celebrate Galia's birthday (December 3) and Ocean's birthday (June 28) and other occasions, please donate to TAO and specify the Galia or Ocean fund instead of generously offering toys, clothing and other gifts. In this way, children will benefit from your sweet generosity.

Drive to the Rabbi's house. An attendant will give you a handout with the places you may park. **YOU MAY NOT PARK ANYWHERE YOU WISH.** Rabbi Marc did a lot of work to secure parking places acceptable to his development's Board and the City. We must respect the allotments and not park elsewhere.

Please respect the neighbors if they should ask you to move your car or not park in their swale - even if they had previously given permission to park there. By being respectful of their wishes, it will guarantee fewer problems in the future.

And most importantly, you will support and be a part of a joyous, loving

important, you will discover how to expand your heart within a Jewish framework. *Nothing beats that!*

Your membership empowers TAO and Jewish Renewal. Your participation is crucial to the continuation and growth of a home for us. Just as in an election where each vote counts, your personal contribution tells us that you care and are willing to be counted as a supporter of our Jewish Renewal Center. Your membership allows the continued growth of our community.

Please consider donating the higher level of membership, for there are some who cannot afford even the basic level of giving. We turn no one away, and your donations help us support all who need us. Anyone who wants to pray with us is welcome.

What you derive from membership is priceless and often cannot be put into words, but without the price, we can't offer the service.
