Shabbos Hour Retreat, Saturday morning, June 13. Read full article below for all the details. And read Myrna's comments after the last event. You won't want to miss this... We promise!

"I am filled with joy and fulfillment after last Saturday's yoga/meditation/chanting Shabbos Hour Retreat at the Rabbi's home. It set the tone for my entire week. I feel so lucky to be part of this incredible community.

"I used to think Friday night TAO services were the most precious place to touch God. The love and energy swirled and then rested and then gathered momentum and then quieted again and my soul connected.

"Then I found Saturday mornings at our private sanctuary in Davie. The music and the intimacy and the soulfulness touched me deeply, and I knew this was the most precious place for me to touch God in the presence of my beloved community.

"Then I returned to our sanctuary for a gentle yoga/meditation/chanting morning, and I truly knew that this was my most precious place and time to open my heart to my God. My eyes filled with tears of joy and my soul filled with the love and fulfillment that sacred silence in the presence of loved ones can bring.

"I find the connection in many places, the mountains in the early morning, walking with a loved one on the beach, the silence of the in-between places of my life. How grateful I am to be able to share this incredibly loving God space. And I am so grateful that I know it. Really know it."

Plan to attend this fabulous members only event. Details in article below.

Rabbi Shoni Labowitz

When you feel as if you are losing yourself, notice whether the loss is from re-entering nothingness and attaching yourself to the Infinite Source or from attaching yourself to outside stimuli that limit the vastness of who you are.

8-week session

Thursdays:

5/28-7/16

7:00-8:30 pm

This open and ongoing inquiry into the nature of being male emphasizes the joys, privileges, and constraints of being a Jewish male in today's world. Designed to facilitate the unfolding of our uniqueness as individual males as well as our inseparability from and bond with other men; here is an opportunity to be a "man among men."

You are encouraged to take your mask off and learn how to be intimate with other men, build empowering relationships and support other men as only men can do for each other.

We continue and expand our exploration of the myth, mystery and reality of being a Jewish male, which we began in Session 1. Each week, other spiritual topics are introduced as well.

All TAO men are invited to avail themselves of this unique strictly male opportunity. Please call Dr. Richard Hey if you have any questions 954-806-6601.

Once a new eight-week session has begun, the group is closed to new members until the next session begins.

Galia & Ocean Funds

In the spirit of Tzedakah, Paulina and Rabbi Marc set up two funds at TAO - a Galia fund and an Ocean fund. A portion of these funds will be used to send toys and other needed items to Jewish and non-Jewish organizations that serve children, including Jafco.

When you share your sweetness to celebrate Galia's birthday (December 3) and Ocean's birthday (June 28) and other occasions, please donate to TAO and specify the Galia or Ocean fund instead of generously offering toys, clothing and other gifts. In this way, children will benefit from your sweet generosity.

Paulina and Rabbi Marc will be informed that you gifted their children and performed an act of Tzedakah in their children's honor.

Both Paulina and Rabbi Marc appreciate the health, toys and love their children have and want to give others the opportunity to share as well. To donate, [click here](#), and indicate in the Notes box which fund (Galia or Ocean) this tax deductible gift is for.
